

ALLERGEN GUIDE

The following guide provides information on the common allergens present in our dishes and also contains sections recommending dishes for those avoiding wheat and dairy.

These recommended dishes have often been adapted from our main menu, so please make sure to let staff know that you're ordering the dairy or wheat free version.

Please note that our Chips & Fries are cooked in a fryer with products containing wheat. We, therefore, advise those with a wheat allergy not to order these items with their meal and would be happy to find a suitable replacement.

Always let us know if you have allergies. We prepare and cook everything on site and will always take extra care when we know we're cooking for someone with a specific allergy.

The Team at The Angel
